Sir,

We the undersigned residents of Siddicutta beg to thank His Highness the Maharaja's Government for the order they have been pleased to pass in the matter of the relief given to us by acquiring our houses.

2. The Municipality have acquired compulsorily the row of houses adjoining the Vegetable Market and recently Government have notified certain other properties also to be acquired in the other four rows

3. We beg to represent that of the residents in the row adjoining the Market, 6 have been allotted sites free of cost in Old Poinercherry and 2 in Health Camp and 3 more are yet to be provided

4. That out of the 15 properties recently notified, 7 have been provided with sites in Health Camp, Basavanagudi, that the cases of are under orders of Government, but sites have been allotted to them also in the Health Camp , and that 2 fresh applications for acquisition are pending before the Municipal authorities Thus, there are still 14 sites to be allotted to us in all.

5. We believe that there are about 30 sites in the Old Poinercherry of which 9 have been given away and 14 are to be given and there remain only 7 and there are only 2 more sites available in the - - Health Camp.

6. As we understand that Government intend giving a portion of Old Poinercherry to the Church authorities for an Industrial School we beg to submit that sites will not be available quite enough to meet our demands, should Government be pleased to dispose of them that are now vacant. We will thus be rendered houseless. We beg to add that it will take some time before we are put in possession of sites in Old Poinercherry as the Maharajans have yet to vacate their buildings.

7

7. We beg to add that the vacant sites to the west of the Maharajapet Post Office now under contemplation for granting to the Church authorities may at once be allotted to us and those that are after our demands are met, may be handed over to the Church authorities.

8. We further beg to add that the necessity to provide us with sites immediately is far greater as we are now practically homeless.

9. We humbly pray that until our case is disposed of finally the sites in Poinercherry and Health Camp may not be granted to others as it will be detrimental to our interests.

Dear Mr. Narasinga Rao,

With reference to your D.O.No. 3345-M1.137-13, dated the 6th Instant, RE the grant of certain sites in the Old Pioneercherry to Rev. Father Briand for the construction of an Industrial School for ladies, I beg to state that I was laboring under a misapprehension. I was given to understand that a sufficient number of sites would be available for the Siddikatte Brahmins in the Old Pioneercherry and the Upparahally Kealth Camp even after granting the land in the Pioneercherry applied for by Father Briand.

2) If it is the intention of Government that all the Siddikatte people i.e., the owners of 14 houses in the row adjoining the market and the owners of 47 houses in the other rows who were given the option of parting with their properties for a fair valuation, should be provided for in those 2 places, I find that all the 45 sites available there will not be enough for them, and that Father Briand's application cannot be entertained.
